Prisma

Docker

## ADDITIONAL

- Problem-solver
- Full-Stack Developer
- UI/UX Designer
- Tech Enthusiast
- Creative Thinker
- Team Player

ABOUT ME

I'm a third-year Computer Science student and multidisciplinary developer with a passion for clean interfaces, smooth interactions, and accessible experiences.

- I design & build digital experiences
- I am interested in working with databases.
- I have worked with MongoDB and PostgreSQL databases in some of my projects and have been able to successfully run them

EDUCATION

2018-2020
Secondary School Certificate (SSC)
I was awarded my Secondary School Certificate (SSC) in 2020 from Jan-e-Alam Government High School, where I specialized in the Science group. Under the Dhaka Education Board, I achieved a GPA of 4.17 out of 5.00.

2020-2022
Higher Secondary Certificate (HSC)
I have successfully completed my Higher Secondary Certificate (HSC) from Nawab Habibullah Model School and College, specializing in Science group. I secured an outstanding GPA of 4.92 out of 5.00 under the Board of Intermediate and Secondary Education, Dhaka

WORK AND EXPERIENCE

• **Third-year B.Sc. in Computer Science & Engineering**
Uttara University I 2023 - Present
Pursuing a comprehensive curriculum focused on foundational and advanced topics in computer science. Core course work includes in-depth study of Data Structures, Algorithms, Database Management Systems, Object-Oriented Programming, and Software Engineering principles.

• **EduSys Pro - School Management System**

A comprehensive system for educational institutions, featuring portals for students, teachers, accountants, and staff to streamline school operations.

• **AIC Inventory - Management System**

A robust inventory system to track stock levels, customer orders, profitability, and delivery logistics, ensuring efficient business operations. Using technologies like React, googleapis.

• **Student Attendance System**
A streamlined attendance tool to monitor student presence, absences, and leave records, providing detailed monthly reports for easy tracking.
